Understand speech on par with
people with normal hearing in noise

Special event

OTICON | **Opn S**

HEARING CLINIC
For All Your Hearing Needs

Medical Building
1234 Snowball Lane
Unit 375, Mississauga, ON

Welcome to our Oticon Opn S™ open house event (Insert date and time)

The new Oticon Opn S breaks the limits of what has previously been possible with hearing aids. It is proven to give you even better speech understanding with less effort in noisy environments than our previous generation of hearing aids.*

So now, you can thrive and take active part in difficult listening situations, just like people with normal hearing.**

Our specialist will be happy to tell you everything you need to know about Oticon Opn S, and the difference it could make to your life.

Register your spot today!
